

# Snap-On Duffle Bag

## Strap Instructions

(fig. 1)

### Step 1

Locate the 4 snaps on the top clamps of the footlocker, 2 on the front and 2 on the back. (fig. 1)

(fig. 2)

### Step 2

Place duffle bag on top of footlocker. (fig. 2)

(fig. 3)

### Step 3

The straps on duffle bag need to be adjusted to add resistance before snapping on to footlocker. To add the resistance, simply pull strap off from velcro area. Feed end of strap through the center opening on buckle and pull tight. Snap duffle bag onto footlocker and you're done! (fig. 3)

**FOOTLOCKERS**

*We stand behind and on top of our footlockers.*
